

## BRICK FIREPLACES

To clean soot or smoke damage from fireplaces, stone, brick, or wood burning stoves, apply **“Magic Man Carpet & Tile Cleaner”** to surface. Use brush with water and rinse.

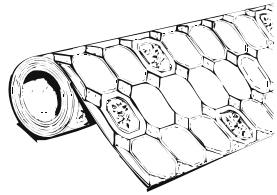

## GENERAL RULES

1. Always mix **“Magic Man Carpet & Tile Cleaner”** with water; it will mix with hot or cold. Mix till solution is milky yellow.
2. For surfaces that need a light abrasive such as removal of adhesive from glass, mirrors, and porcelain or to clean chrome, brass, stainless steel, etc. Use very fine (#0000) steel wool.
3. Never apply **“Magic Man Carpet & Tile Cleaner”** to a surface that you would not apply water to.
4. **“Magic Man Carpet & Tile Cleaner”** is a non-abrasive and at times, an abrasive may be needed. We suggest using a 3-M Scotchbrite pad on most surfaces.

*Note: The distributors take no responsibility for improper use. Always follow directions when using any product.*

Note: Will remove scum line, body oil, calcium build-up, as well as cleaning coping, skinner walls, slides and build-up on patio furniture. Use with sponge on your spas!

*So easy, it's magic!*

**“Magic Man Carpet & Tile Cleaner”** is a non-toxic, biodegradable non-abrasive, water-based, pleasantly smelling, highly concentrated all surface, all purpose cleaner.

**“Magic Man Carpet & Tile Cleaner”** can be used directly from the spray bottle or mixed with water making it more economical in its use. Why pay for other people's water?

Mixed in water, **“Magic Man Carpet & Tile Cleaner”** costs \$5.01 for oven degreaser, spot remover, mildew remover, pet stains, and many, many more household and office uses.

It's a product that can replace all those “unused” products under the sink that you bought to do all those other individual jobs.

Jobs that require a product that is toxic, acid, caustic soda, or other harsh chemicals that have a bad smell, can burn the flesh from your hands, and that aren't really safe for anyone to use are no longer necessary to accomplish your cleaning goals.

With the versatility of **“Magic Man Carpet & Tile Cleaner”** you will find “Fantastic Relief from Grease” to resolve all those cleaning problems faster than a “comet”. All clever word play aside, after using our product, you will agree that **“Magic Man Carpet & Tile Cleaner”** is the product of the new “MILLENNIUM.”

## MIXING INSTRUCTIONS:

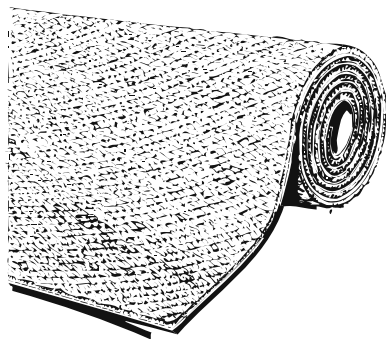

### GENERAL CLEANING

“**Magic Man Tile & Carpet Cleaner**” can be used as a general cleaner for about \$5.01 a quart. Mix 3 oz. per 32 oz. of water.

Use “**Magic Man Carpet & Tile Cleaner**” mixed in a spray bottle to remove adhesives, paint overspray, paint oxidation and graffiti, using 0000 steel wool.

### CARPET

“**Magic Man Carpet & Tile Cleaner**” can be used on carpet in both forms, mixed in water or sprayed directly from bottle as it comes. We suggest using “**Magic Man Carpet & Tile Cleaner**” mixed with water to remove surface carpet stains and mixed for stains that have penetrated the carpet yarn. Apply to carpet covering stain, work cleaner into carpet, blotting dry with a clean dry cloth till stain is gone.

## Stains “**Magic Man Carpet & Tile Cleaner**” Will Remove:

Pet Stains	Liquors	Paint	Ink
Oil	Blood	Candlewax	Gum
Waterstains	Glue	Grease	Vomit
Coffee	Grape Juice	Wine	Soda
Red Clay	Coal dust	Tape glue	Tar

**Note:** *The success with which the stains can be removed depends upon (A) the length of time the stain has been in the carpet, and (B) Whether or not another chemical has been previously used on the stain setting it into the fibers.*

### REMOVE STAINS FROM CARPET

Mix 3 oz. per quart of water in spray bottle. Spray on stain, let stand 30 seconds, then with a clean towel, blot dry. Repeat until stain is gone.

**Note:** *Never saturate carpet with product.*

### CLEANING CARPET BY MACHINE

Vacuum carpet thoroughly, then mix 1 pt of “**Magic Man Carpet & Tile Cleaner**” to 3 gallons of water and follow instructions that accompany the machine. Add a capful of vinegar or fabric softener to receiving tank prevents sudsing. Cleaning your carpets with “**Magic Man Carpet & Tile Cleaner**” will prevent rapid resoil.

### CLEANING CARPET WITHOUT MACHINE

After vacuuming carpet, mist “**Magic Man Carpet & Tile Cleaner**” on carpet, then sponge mop the area or use a bonnet. Always do small areas at a time. *Pre-spot stains.*

## UPHOLSTERY FABRIC

To clean upholstery, mist solution on area and work in circular motion, loosening soil and absorbing excess moisture with clean, dry cloth. **Note:** Always test on an inconspicuous spot for color fastness as with any product.

## MARBLE, GRANITE, PORCELAIN, TRAVERTINE & SLATE

When cleaning polished, honed, or tumbled stone, just apply “**Magic Man Carpet & Tile Cleaner**” using a deck brush, then rinsing with water and clean mop head for proper cleaning.

## CERAMIC TILE & GROUT QUARRY & MOSAIC TILES

Apply “**Magic Man Carpet & Tile Cleaner**” solution; 3 oz. Per quart of water to surface, let stand 5 minutes, using a brush over the area, rinse with a clean bucket of water.

For Grout Use solution: take brush or 3-M Scotchbrite pads to the joint area to remove mildew, dirt, or grime. It is safe because there is no acid in our product, that it can even clean your fixtures. For large area cleaning, 1 pint to 5 gallons of water, applying with deck brush.
